ANYWHERE

In July 2019, Easy Freight Shipping Services started providing a wide range of logistics and transportation services on a global level. With connections in multiple countries, we have the expertise and resources to handle even the most complex shipping requirements.

Our team of experienced professionals is dedicated to delivering an exceptional experience when providing services to our customers, ensuring that their shipments are delivered safely, efficiently, and on time.

We solve your organization's logistics needs effectively with cost savings to your end. We'll continue to improve until the needs of our customers, their customers, our carriers, and our vendors are fulfilled.

COMPANY OVERVIEW

VISION

To ensure that our clients' needs are fulfilled through the quality of our services, with cost-effective rates and providing total logistics services under one roof.

MISSION

To become a globally preferred logistics partner that provides value to our customers.

Improve our competitive edge through achieving world-class core competency.

OBJECTIVE

Our ultimate objective is to make a conscientious effort by executing professional logistical services, innovative solutions to our clientele, and continuous improvement.

CORPORATE GOAL

To be recognized both internationally and locally as a premier logistics solution provider.

QUALITY POLICY

ANYTIME
ANYTHING
ANYWHERE

- Provide our customers with premium logistics solutions that exceed customer's expectations.
- We are committed to achieving a level of quality, which will set the pace in the logistics marketplace in terms of value and service.
- We are committed to highly emphasizing integrity, quality, leadership, and efficiency in the services that we offer to the industry.
- We are progressing on a quality journey, which will be profitable for our customers, our people, our suppliers, and our company.
- We seek continuous improvement in all our processes.

CORE VALUES

ANYTIME
ANYTHING
ANYWHERE

- **Efficiency**

No job is big or small, we will ensure all the freight assigned with our company arrives at its destinations as promised.

- **Service Quality**

We will consistently create value for our customers through outstanding and quality services at all times.

- **Commitment**

We are committed to exceeding our customer's expectations through excellent services and experience.

- **Continuous Improvement**

Focusing on the continuous improvement of people and processes because we believe this is the key driver to success

- **Integrity**

We conduct business with integrity and trust and uphold the highest standards of integrity in all our actions.

- **Professionalism**

We hold ourselves to the highest standards of professionalism; conducting ourselves and our business consistently with our mission, vision, and core values.

- **Ethics**

We believe that ethical business practices define the character of our company, commitment, and promise given to our customers.
